## New and Improved LLV Distributors from JIS!

### Product Updates...

- Use of brass contacts, as brass is a superior conductor and less prone to corrosion
- Upgraded plastic connectors to prevent breaking
- Revised rotor contact on cap to prevent premature failure
- Now with a solid one piece body to eliminate separation

### Other key benefits of JIS Distributors include...

- 100% New, High Quality Components for dependable performance
- New OEM AC Delco Module – the “brains” of the distributor – is installed for ultimate reliability
- Priced right with no need to rebuild yourself
- No core returns
- Complete and ready to install
